Please call us on 01306-883808 or e-mail inquiries@surreyhillsdancecentre.co.uk for more details and place availability in all classes. Thanks.

General Information

Please note – all classes are operated on a course basis, usually synchronised with SCC's academic ½ terms.

Our approach to adult courses:

Couples attending our courses will dance together throughout each session. It is not our policy to rotate partners. Singles are welcome on courses but will need to partner with another single, which may mean that some single ladies may be asked to learn the man's steps.

Next New Beginners Course

We usually run New Beginners courses in early Autumn and early New Year each year. Details will be published about new start-ups on the website as soon as they are known.
